

I am pleased to take this opportunity to introduce S4 Engineering Limited as an established process Integrator and system provider. S4 Engineering is dedicated to providing working hygienic solutions for the food, beverage, dairy and pharmaceutical Industries.

We are a team of specialised Engineers with a proven track record, having the confidence and foresight to design, supply and control all aspects of automation and mechanical packages to suit the ever-changing world of the food industry.

S4 Engineering stands for Service, Support, Supply, Solutions and our aim is to provide a high level of service and technical expertise to assist customers in reducing their total operating costs.

#### **Processing Technologies:**

- |                                   |                                   |
|-----------------------------------|-----------------------------------|
| ✓ <b>CIP</b>                      | ✓ <b>Mix-proof Valves</b>         |
| ✓ <b>Heating</b>                  | ✓ <b>Instrumentation</b>          |
| ✓ <b>Cooling</b>                  | ✓ <b>Steam</b>                    |
| ✓ <b>Cooking</b>                  | ✓ <b>Boilers</b>                  |
| ✓ <b>Pumping</b>                  | ✓ <b>Heat Exchangers</b>          |
| ✓ <b>Bulk Receiving/Unloading</b> | ✓ <b>Control Panels</b>           |
| ✓ <b>Mixing &amp; Blending</b>    | ✓ <b>Process Control Software</b> |
| ✓ <b>Dosing &amp; Metering</b>    | ✓ <b>Recipe Package</b>           |

#### **Services provided by S4 Engineering:**

- |  |                                   |
|--|-----------------------------------|
| ✓ <b>Process System Design</b>             | ✓ <b>Process Equipment Supply</b> |
| ✓ <b>CIP System Design and Integration</b> | ✓ <b>Process Orbital Pipework</b> |
| ✓ <b>Equipment Sizing and Selection</b>    | ✓ <b>Service Contracts</b>        |
| ✓ <b>Electrical Control Systems</b>        | ✓ <b>Pump Servicing</b>           |
| ✓ <b>URS &amp; FDS</b>                     | ✓ <b>Valve Servicing</b>          |
| ✓ <b>Project Management</b>                | ✓ <b>Heat Exchanger Servicing</b> |
| ✓ <b>Installation</b>                      | ✓ <b>Repair and Maintenance</b>   |
| ✓ <b>Startup Commissioning Validation</b>  | ✓ <b>MRO Spares Supply</b>        |

S4 Engineering provide services from consultancy right through to design and build of complete systems.

S4 Engineering is focused on supplying engineering solutions, equipment, spares and consumables to the food, beverage, dairy, brewery and Industrial industries.
